*"Ernie Ives Craft Knife" - £ 8

This great little knife is our preferred tool for marquetry. It takes standard size 11 scalpel blades, but can be adjusted so that just the tip is exposed, reducing "waggle" and blade breakage. Supplied with five blades.

"Baseboard, Backing and Edging Veneer Pack" - £ 10 (£ 8 if ordered with a kit)

Designed to accompany our beginners kits (Hummingbirds, Kingfishers and Dragons) this pack includes two MDF baseboards, backing veneers and a choice of edging veneers for you to complete your marquetry pictures.

"Beginners DVD by Peter White" - £ 10 + £ 1.50 P&P

Prepared by a former President of the Marquetry Society this DVD runs for over 2 hours and covers every aspect of making a marquetry picture. Even those with experience will find tips to improve their methods.
